Founding Principal Survey:

As we continue the search for the founding principal of MPCS, we value the voice of our parent community. Your feedback will help guide our search and shape the priorities for this important leadership role. Please check your email or visit our website to fill out a quick survey on what is most important to you in our founding principal!

Grant Writers Needed!

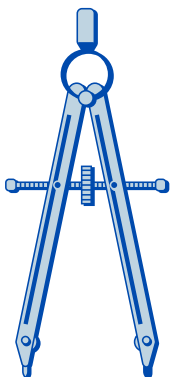

Do you have experience with grant writing? The MacArthur Park Charter School (MPCS) launch team is looking for volunteers in our community who would be willing to donate a little time to help research and write one or more grants in support of our school. Your expertise could make a meaningful difference as we work to expand opportunities for our students. If you're interested in helping, please reach out—we would love to connect!

Mixer at the Moose:

Our first community event! Drop by at meet our founding team & other parents. Free Admission. While we love your little ones, adults only please.

Saturday, April 25th, 2026 - 5:00-7:30PM - Moose Lodge, Sonoma

STEAM Word of the Day: Blueprint

What it means:

A blueprint is a detailed drawing or plan that shows how something will be built. Engineers and designers use blueprints to organize ideas before creating them.

Try it at home:

Draw a quick blueprint of something you'd love to design—like a playground, invention, or robot!
